Tasting Note

This 2020 Pinot Rosé shows enticing aromas of red cherry and sweet spice with subtle white peach. The palate is lively and delicious, with refreshing flavours of watermelon and cranberry balanced by juicy crispness on a dry finish.

Harvest

Crafted from low yielding vines, the 2020 Marlborough grape harvest for Ara Single Estate Rosé occurred in late March when the fruit had reached flavour ripeness while retaining the refreshing acidity the region is acclaimed for. A superb vintage, 2020 yielded intensely concentrated fruit which is the guarantee of a flavour-filled wine.

Winemaking

The fruit for this wine was destemmed and harvested in the cool of morning, then pressed immediately at the winery to ensure a wonderful dusky pink colour. The juice was cold settled then fermented cool to preserve its distinct pure fruit aromas and subtle floral aromatics.
