

# 2021 Marlborough Pure Light Sauvignon Blanc

Crisp and refreshing, expect pure tropical fruit and citrus flavours with nuances of freshly cut herbs from this wonderfully balanced, lighter-in-alcohol Marlborough Sauvignon Blanc.

## Where I'm From

Wairau Valley, Marlborough, New Zealand

## How I'm Grown

Weather during the growing season meant a reduced number of berries in the bunches, offset by concentrated, expressive flavours. The region experienced a few cooler evenings during the lead in to harvest, helping berries retain acidity and freshness. Warm, dry harvest conditions allowed the winemakers to pick each block as it reached optimum ripeness, resulting in wonderful fruit condition.

## How I'm Made

Classic Marlborough Sauvignon Blanc fruit was batch-harvested at perfect ripeness, with balanced tropical fruit, citrus, and herbal flavours. Fermented cool in stainless steel tanks to retain purity of fruit flavour and freshness, the wine then spent 3 months on lees to build texture. After blending, some of the alcohol was gently removed from the wine using spinning cone technology to give a full-flavoured Marlborough Sauvignon Blanc that's deliciously fresh, with lower alcohol and calories.

## The Techy Stuff

Alc /Vol 9% • pH 3.1 • TA 6.7 g/l • Residual Sugar 7.7 g/l
